

# APC Preferred Partner Support Line

1-800-771-1APC

*Same number, better experience.*

We at APC by Schneider Electric are enhancing your overall partner experience with an improved dedicated support line.

When you call into the APC Customer Care Center, you will notice the custom greeting:

**"Thank you for calling APC by Schneider Electric. You have reached the Preferred Partner Support Line where your partner experience is our top priority."**

A member of the APC Preferred Partner Team will be ready to assist you with your questions.
