

Power Your Managed Services

## iRewards Bonus Points for Managed Service Providers

**The Managed Services Program is a testament to our channel commitment**, and it redefines the meaning of a program. Within the MSP Program, **APC by Schneider Electric is taking a holistic approach** to further enhance several areas of the business to enable and **grow recurring revenue streams for our partners**. You can now redeem managed units for elevated points.

### Summary of the program

APC is now rewarding partners in the APC Managed Services Program for managing their customers' Smart-UPS! Part of the iRewards Program, points can be redeemed for:

- \$100 Credit through IT Distribution
- \$100 Credit through Marketing
- Any available prize from the on-line iRewards catalog

*Net New SKUs - 2,500 points*

*Existing SKUs (claimed quarterly) - 500 points*

### Requirements:

- Select Level Partner with Managed Service Provider Specialization (MSP Certification Path must be completed)
- Claims must be submitted via new MSP Claim Form
- Partners must currently be eligible for iRewards
- Partners may be asked for additional information verifying their devices

**To claim points, Select the MSP Claim tab on you're MY CLAIMS form.**
